I've not heard so much things about the site, rcdrugs.com, but nobody seems to know if you are legit or not. But I have some speculations from a couple of people that have used the most pure statements. So how can you prove the opposite? I could help you to prove your legit because I want a cooperation with you guys and buy some good quality products! Please!

Re:
Anybody
We just can't. It's the real reason.
The biggest mystery for me is to get the answer on the division for me. Why somebody would put so much effort to make a such a site to scam people?

Re:
I have money. The site is very professional and could really be used to scam shit of people. But I have been ripped off before that's why in laptops. But maybe make an order later anyway. :>)

## 0.17. PRESENTATION OF TECHNOLOGY

In the Span of Summer 2017 Author has developed technology which allows for a female to have lack of Control over her Mind & Body; in effect: You're able to steer her with your mind as follows

<sup>4</sup> (it was tested in the field with Success --- also on females)

/ where:

\* Did you Know that just 3 (three)<sup>5</sup> Men in the ENTIRE World Know how to fuck properly Women?

\* Author projects/ plans also, that you'd be able to Control her Mind Via your+Mind as you'd be walking an Avatar [[because The Devil (himself) [Lucifer] telepathically offered Author a Deal which he Valued the Most and asked for Permission to his Mind to deliver --- it was rejected because he was Never-able to Deliver]]

It's All planned *Far* further although just to give an outlook of what Has been developed.

<sup>4</sup> EXACTLY as it is written (Manipulation level 5 deals with it). To have access to so-called Mind Mind-Reality: you're required to have unlocked pineal gland for which there are special herbs.

<sup>5</sup> Including in it Author.

from where:

\* Technology is based on birth Horoscopes [[which Builds on birth Traits of Women and Develops them]] --- see Contact {also Yours}

\* In the book there would be presented Techniques of Seduction that were used by Females on the Author [[over 153

[..]

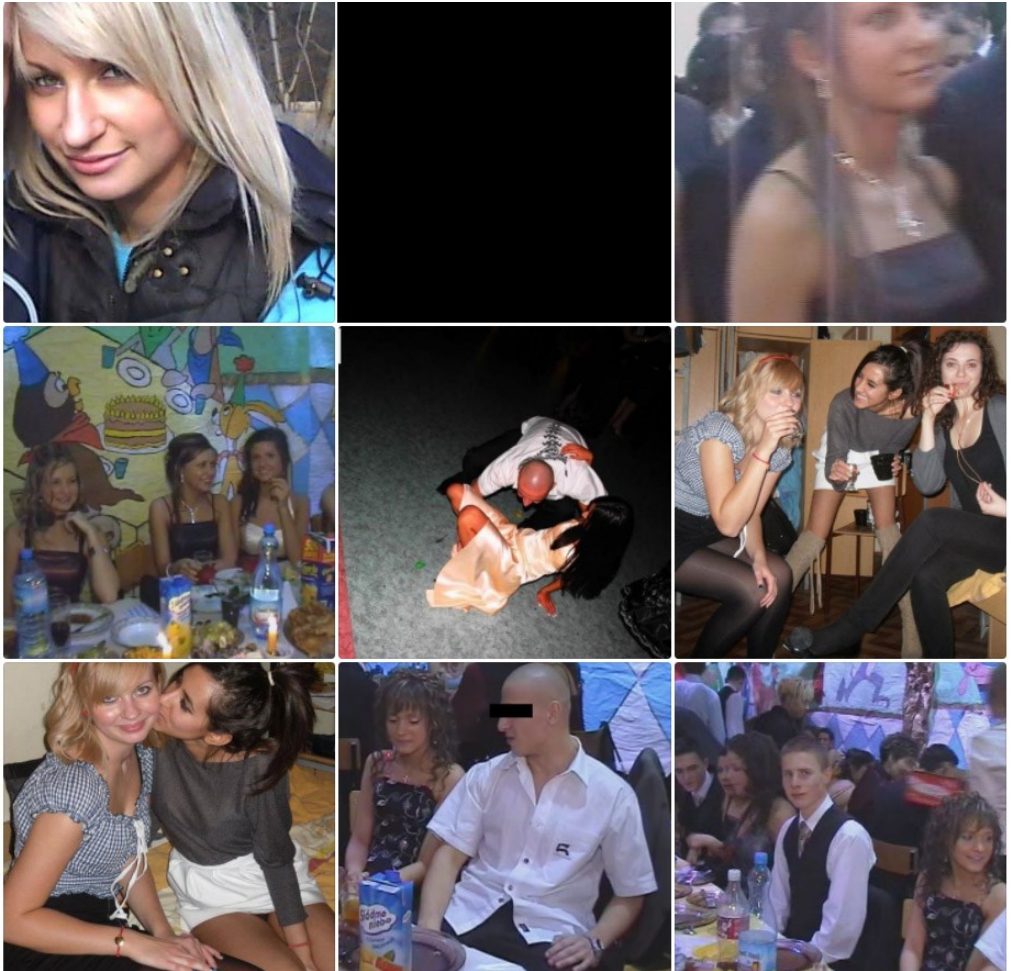

\* Predicted is also Presentation of technology for the Opposite sex [[Females controlling men (although in Version different that is commonly thought)]]

### 0.19. TYPES OF AUTHOR FEMALES

Representational [[females that were/ are Interested in Author

And also

(or the Author could have had)

## 0.19+ IMPLEMENTATION OF TECHNOLOGY

It's varied due to Agenda/ #2 although:

\* Support of female [Slave] through providing her with the Knowledge (ev. Some functional funds, care, Contacts or also else) or by Enabling her to Achieve: Success in provided by Her fields or also those Selected *From* her free will --- to pay 90% of earnings [[rest 10% can Also by used to [..]]

\* Introductory for the Agenda spheres of work to be Executed & Delivered *Forever* with Success

\* Sale for the Slavery [[dependent on the Agenda]]

{With also} It's required to notice that Women with n0-such support have lack of Possibility to Achieve in selected by themselves [[by-birth]] fields/ spheres or also those imposed and All-that with-n0ne of creating Karma/ #1.2.

## YOU'RE INTERESTED IN THE PROJECT?

It's required to understand that Funds<sup>6</sup> [[financial]], Knowledge, Contacts & also **Your** Experience is important in the Goal of developing project in version v1: of Slave Technology which is not solely to be on the opposite sex.

Therefore *Best* Conctact Author right Now (in this Very Moment) --- look above.

### 4.01. EXTRA INFORMATION

If you're Interested --- just Leave the Message & I'd reply (both *Females* like also Men).

You'd be let in to the Early-Version of the Book: it's prepared already over 31GB of content to the Book.

You'd be let in to Secrets, also included Secrets-of-the-Elites i.e. Such as #telegony & Much, Much more: not only \ associated \ with the subject itself though also Many those on the side.

The Most Important is for You to Keep the Project in the Mind & Everything would follow.

\\ Write just now.

\ It's Also required to underline that I Never exclude any form of Support in whatever form & Applications for getting Grants for scientific research would be applied (those interested would Contribute something valuable to the project).
